Prom Boutique

April 1 - April 30

Prom season is just around the corner! In partnership with the Pickering Public Library, we are hosting our first ever Prom Boutique. We need the community's support and are currently looking for new or gently used dresses, suits, shirts and dress pants at this time. We ask that the dress wear is clean, and free from rips, stains, and blemishes. Donations can be dropped off during operating hours at the Pickering Central Library (One The Esplanade).

*This event will be hosted in May, in an effort to provide young graduates with formal clothing for their prom. This is for High School Graduates in 2023.
